Crystal Stream™

Laminated Sand Filter

Versatility that lasts

CLEAN FINISH, LASTING STRENGTH

Made from fiberglass and polyester resin, its laminated shell combines structural strength with a refined finish—ready to perform in any pool environment.

A SOLUTION FOR EVERY POOL

From cozy garden pools to more spacious private setups, our filter range offers the flexibility to suit different pool sizes and styles. With models covering flow rates from 8 to 32 m^3/h, you can enjoy crystal-clear water in pools of up to 256 m^3.

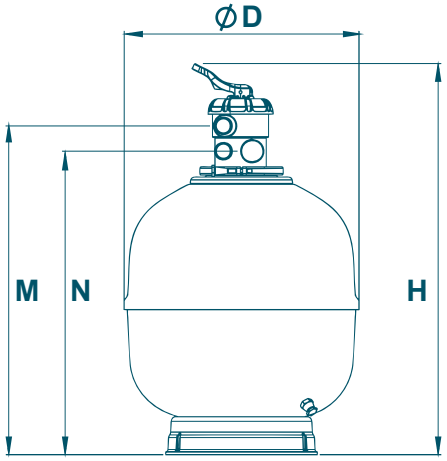

ALL-IN-ONE VERSATILITY

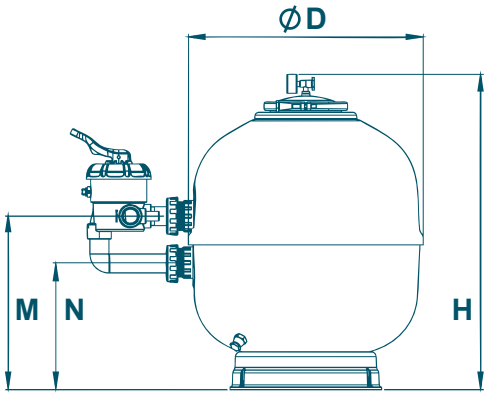

Choose between a top or side mount valve to best match your installation layout. Both the valve and all necessary fittings are conveniently delivered together in one box, ready for easy connection.
